Outcome sought

I wish Environment Southland to make the following decision	To oppose the application.
Why I wish Environment Southland to make this decision	I think the lake needs to be opened to the sea at a lower Level and more regularly so that the bridge on waghorn road isn't under water ever. As it stands at the moment, waghorn road has been closed for months meaning that no one can access the ramsar site and Doc lookout and board walk which we all paid for with our tax dollars.
